This Anti Trafficking Project will be launched in 10 districts in West Bengal. This Project has a link with the South Asian Initiative to end Violence Against Children, (SEIVAC).

Date: Friday, June 14, 2013
Time: 10 am - 1 pm
Venue: Hotel Peerless Inn, Kolkata

In the recent era, Child Trafficking has emerged as a pertinent issue of concern in the field of Child Protection among the government, non government organizations and the Community based organizations (CBO's). India has a dubious distinction of being a source, transit and destination point or the traffickers. West Bengal occupies a strategic position sharing both international and state borders and ranks one of the highest States in terms of Trafficking in Persons (TIP).
