We are happy to inform you that CINI is organizing a charity lunch on International Women’s Day on Saturday, March 8, 2014 from 12.30 pm to 2.30 pm at The Astor Hotel, Kolkata. Funds raised from the charity lunch would go towards protecting and saving the girl child. Ladies from various backgrounds would be there to express and share their views. Richa Sharma, Sayani Dutta, Saira Shah Halim, are a few people who have agreed to be part of the event.

The project would support the development of girls in the age group of 10-19 years in education, protection, health and nutrition domains. The project would be launched in Murshidabad and South 24 Parganas of West Bengal. We would track and assess the vulnerability of the girl with respect to all the four domains and then provide need based support. Approximately, 7000 number of girls would be reached and helped through this project. Murshidabad and South 24 Parganas are the two districts where there is a high risk of young adolescent girls falling prey to CHILD MARRIAGE, CHILD LABOUR, CHILD TRAFFICKING AND DROPPING OUT FROM SCHOOLS. They are also unaware of their health and nutrition requirements thus leading to poor health status. The G-Power project would address these issues and protect these young citizens of India.
